Pastor Velvelette

Hello Friend and Partner,

As the days approach the second coming of our Lord Jesus Christ, we need to be busy doing Gods will and his work. The world is doing their thing and we need to be about our Father's business in the Kingdom of God.

As saints of God, we can grow cold, and tired and ineffective for the kingdom of God. Let us make sure we are watching. I am reminded of one of my preacher friends how talked about he thought about quitting about everything he had been though. He had lost his zeal for Christ. He asked God, "Where are you? in all my troubles?" Then God said, "I have not changed I am the same today, yesterday, and forever." You are the one that has changed. "He remembered Gods promises and got back on track preaching the Gospel.

The days are getting too close to give up now. That's what we need is a focus on Gods work and word to give us the determination that we won't give up no matter how hard and difficult it gets. We are all filled with the cares of this life, God never promised us sunshine all the time. There is rain to help the flowers grow. God wants us to grow in the power of His might, even as every living thing on the planet increases and gains strength. This is not the time for us to give up but to keep holding on. This is not the time for looking back! Its time for being strong!

Finally my, brethren, be strong in the Lord, in the power of His might. Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of darkness of this world, against spiritual wickedness in high places.

Wherefore take unto you the whole armour of God, that ye be able to withstand in the evil day, and having done all to stand. Ephesians 6:10-13.

We have to remember there is any enemy! More than anything else Satan would love for us to give up right before the coming of our Lord Jesus Christ. He is defeated and he is a Liar! The Church will not stop working and preparing for the bridegroom, which is Jesus Christ. We will continue to make our self-ready.

Join with us this month, as we talk about preparing for the coming of our Lord Jesus Christ. Even as the five foolish virgins and five wise virgins in Matthew chapter 25, went to get oil in their lamps. Five wise were ready and had no problem preparing. However, the foolish wanted the oil of the wise virgins, but it does not work that way. At mid-night the bridegroom came on the wise virgins were taken, but the foolish virgins were left.

The foolish virgins must have been too busy to take time for God. Do we ever get too busy? Sure we all do. That does not mean that we are not getting to church or praying enough, right? It means that we are not taking time to get in the spirit. Remember God wants a personal relationship with us. Few people spend time in the word or listen to hear Gods voice coming from that same word. We just read a couple of scriptures and we are just going through the motions and say well, I read that scripture today. How about mediating on the word. How about using our prayer language. Or listening in silence for God to give us our next task in him? Our purpose on the earth will not be accomplished but putting God on a To-Do-List.

Everyone is in charge of putting the oil of the Holy Ghost in their own vessel of honor. For our bodies are the temple of the Holy Ghost according to I Corinthians 6:19. We must make ourselves ready. Obedience is better than sacrifice. I Samuel 15:22.

This month we will study and remind ourselves of daily Christian duties that need to be applied in our everyday walk with Christ.

And let us not be weary in well doing, for in due season we shall reap, if we faint not. Galatians 6:9.

Remember, God is not mocked whatever a man soweth, he shall also reap. Galatians 6:7.

Thank you for your faithful prayers and support.

May God Truly Bless You!
